

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Jose Borjas
DOCKET NO.: 03-30361.001-C-1
PARCEL NO.: 13-28-215-025-0000

The parties of record before the Property Tax Appeal Board are Jose Borjas, the appellant, by attorney Norman Light of Chicago; and the Cook County Board of Review.

The subject property consists of a 12,250 square foot parcel improved with a one-story masonry constructed building containing 6,200 square feet. The building was constructed in 1925 and is used as an auto repair garage. The property is located in Chicago, Jefferson Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal prepared by a certified general real estate appraiser estimating the subject property had a market value of \$315,000 as of January 1, 2003. The appellant also submitted a copy of the board of review final decision disclosing the subject had a final total assessment of \$156,408. The subject's assessment reflects a market value of approximately \$411,600 using the 38% level of assessment for class 5A property pursuant to the Cook County Real Property Assessment Classification Ordinance. Based on this evidence the appellant requested the subject's assessment be reduced.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$	30,723
IMPR.:	\$	88,977
TOTAL:	\$	119,700

Subject only to the State multiplier as applicable.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

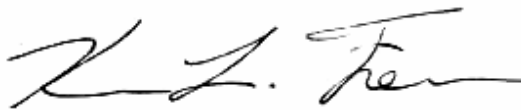

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted an appraisal prepared by a certified general real estate appraiser estimating the subject property had a market value of \$315,000 as of January 1, 2003. The board of review final decision disclosed the subject had a final total assessment of \$156,408 reflecting a market value of approximately \$411,600 using the 38% level of assessment for class 5A property pursuant to the Cook County Real Property Assessment Classification Ordinance. The assessment reflects a market value greater than the appraised value tendered by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by Section 1910.40(a) of the Official Rules of the Property Tax Appeal Board. The Board has examined the information submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property. Based on this record the Board finds the subject property had a market value of \$315,000 as of January 1, 2003. Since market value has been determined the 38% level of assessment for class 5A property as provided by the Cook County Real Property Assessment Classification Ordinance shall apply. (86 Ill.Adm.Code 1910.50(c)(3)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
